

We invite you to come China to experience the great changes and witness the grand days----**October 16 to 17, the 2nd International Conference on Value Engineering & Value Management**, sponsored by Beijing University of Aeronautics and Astronautics and Value Engineering Society of Beijing (VESB) .

1. Conference Purpose

- Response to the party and nation's call for construction of a Resource-Conserving Society
- Strengthen the communication on value engineering, value management and related fields
- Promote the academic research and application on value engineering

2. Conference Theme

The theme of the conference is Value Engineering and construction of a Resource-Conserving Society. Relevant topics include, but are not limited to:

- Tools and methods of constructing the resource-conserving society (community, enterprise, non-profit organizations, etc.)
- Theory and methodology of Value Engineering
- Methods and tools of Value engineering
- Project management and value engineering
- VE's employment in national defences 、 manufacturing、 construction 、 investment and government public industry etc.

3. Conference Publication

You can submit paper on value engineering and value management. All submitted papers in this conference shall not be released in any other publications or conference proceedings. All papers will be reviewed and evaluated by experts from academic committee and approved articles are to be included in both electronic version and hardcopy proceedings. The paper is not less than *four* pages but not more than *ten* pages in A4 paper.

Word typesetting (MSWord) is required for each submitted paper and then delivered to us through email:hxve@vip.sina.com To find more information updated, please refer to the conference website www.ICVM09.buaa.edu.cn.

Manuscript language: English / Chinese

4. Conference Sponsors

School of economics and management, Beijing University of Aeronautics and Astronautics

Value Engineering Society of Beijing (VESB)

5. International Supported

SAVE International

Value Engineering Society of Japan

Value Engineering Society of Korea

6. Key days

Final version of amended paper submission	August 15, 2009
Conference date	October 16-17, 2009

7. Conference Fees and Registration

Authors:US\$500

Deadline for registration is August 15 2009.

The fees include all concurrent scientific sessions, and welcome reception with snacks; lunch, coffee breaks and a banquet during the two days of the conference;but not including flights and hotel.

8. Contact Information

➤ VESB Representative in USA:

Contact: Mr. Steven Deng

Tel:248-2278116

Email:shaomin_deng@yahoo.com

➤ VESB Beijing Office in China:

Contact:Betty Zhang , Gloria Shan

Tel:86-10-51949803

Fax:86-10-51949804

E-mail:hxve@vip.sina.com

Website: www.ICVM09.buaa.edu.cn

9. Return receipt of the conference

Please return the receipt by the email of the “12”before August 15, 2009.

The return receipt of “The 2nd International Conference on Value Engineering and value management in Beijing”

Name		Gender		Tel
